About Me

I am Ashif, versatile Full Stack Developer ,looking for a full stack development role that will challenge me and allow me to use my skills to make a difference. I am also interested in working on projects that are using technology to solve real-world problems.

Experience

Six months InternShip At Softroniics , Palakkad

2023– Present

- my internship as a MERN Full Stack Developer, i had opportunitiy to work on frontend and backend developemnt. This intern ship allowed me to gain practical insights into th end-to-end development.
